Board of Directors Meets, Sets Dual Purpose Goal at \$100,000

A plan to seek \$100,000 in cooperation with the trustees of Presbyterian college and the Synods of Georgia and South Carolina who seek \$350,000 for an endowment fund for the college was adopted unanimously by the Board of Directors of the Alumni Association meeting in Clinton September 2.

According to the plan, the \$100,000 would be used for a dual purpose: first, as an integral part of the permanent endowment fund; second, the income earned from this unit of the fund to accrue for the definite purpose of erecting and maintaining an enduring, commodious, and distinctive Student Christian Association building as a memorial to all PC men and women who rendered service in the armed forces of the United States or allied countries during World Wars I and II.

It is the considered judgment of the Board that such a memorial building will serve a very great need in the student activities on the campus.

In accordance with the new organization the Board received a report from the president of the Association containing the results of the 1947 Alumni Fund Drive. The total amount of money given was \$5,347.85.

This was given to the following objectives:

Athletics	\$875.00
Student Center War Memorial	\$2,057.35
Endowment	\$523.50
Undesignated gifts	\$1,892.00

The Board divided the undesignated gifts as follows:

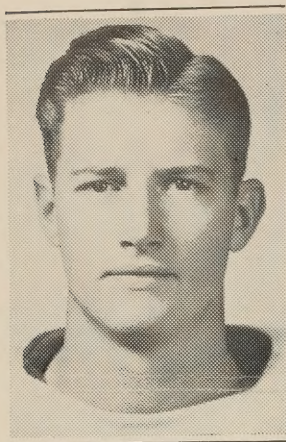

Endowment	\$1,000.00
Student Center War Memorial	\$500.00
Walter Johnson Club	\$392.00

Total amount contributed to each objective:

Endowment	\$1,523.50
Student Center War Memorial	\$2,557.35
Athletics	\$1,267.00

Including war bonds, the amount received to date for the Memorial Building is \$3,915.35.

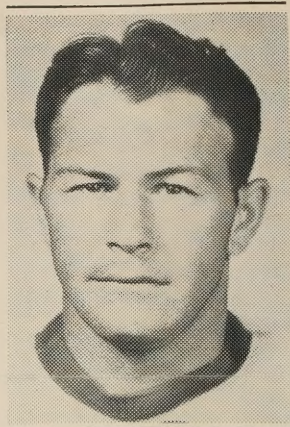

In addition to other business, the Board of Directors approved a plan for mailing information to the Alumni about the endowment fund drive.

'47 Hose Team Boasts Strong Line, Unknown Backfield

19 Lettermen Return; Coaches Seek to Replace Rollins, Caver

By CHARLES MacDONALD

There's only one thing certain about the 1947 Blue Stocking gridmen—there're more of them than ever before.

There were some 90-odd football players who reported to Coach Lonnie McMillian September 1, but the majority are either freshmen or reserves lacking in experience. However, there are 19 lettermen to serve as a nucleus for molding this season's T-formation eleven who will be striving to maintain last year's impressive record of seven wins in a row.

The Hosemen open as usual against Clemson, and Coach McMillian is singing the blues as usual about his chances against the Tigers. Not only did he lose such standouts from last season as Herbert Rollins, triple-threat workhorse, and Hank "Operation Moon" Caver, Little All-American pass expert, but four other members of his starting eleven took the graduation route—two ends and two guards.

Despite those line losses, the forward wall should be the strongest point this season. Line coach Ben Moye finds he's almost three deep in dependable performers in every position.

At ends, he finds Herbert Lindsay, two-year letterman; Frank Hay, two-year letterman from '44 and '45; and Howard Willis, one-year letterman who was shifted mid-way last season from a fullback slot. In addition, there're some outstanding freshmen—Pratt Shaw, Charleston; Paul Martin, Seneca; and Gus Watt, Thomasville, Ga.

The guards may be strongest of all: lettermen Mickey Turner, Calvert Marsh, Bob Stutts, and Rich-

ard Bowles are back, and letterman tackle Stuart Cushman, 220-pounder, has been shifted.

At tackles the Hosemen plan to give no quarter. Take one look at 220-pound Dewey Riddle, one-year letterman; William C. Copley, 210-pound one-year letterman; Willard Brodie and Bill Haithcock, sophomore reserves, and 225-pound Bozo Weir, freshman from Shelby, N. C.; and you'll see the reasons.

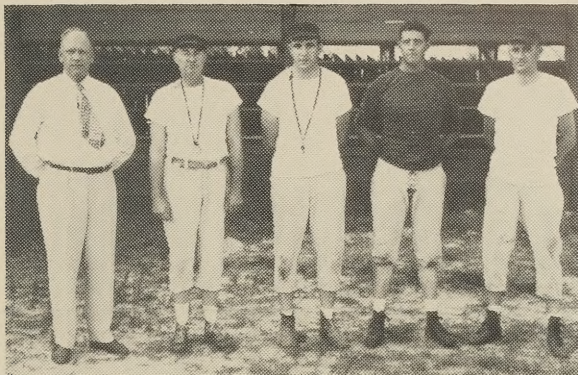

As for the pivot slot, there're three lettermen: Rion Vassy, Claude Howe, and Tommie Todd. Add a 214-pound Portsmouth, Va., freshman, Jimmy Puryear, and you have the strongest candidates for center the Stockings have known for many a moon.

But then comes the backfield, and Coach McMillian and backfield coach Jim Todd fear the worst in finding capable replacements for Caver and Rollins.

But all is not dismal. Here're some outstanding prospects: at quarterback, two-year letterman Billy Gresham and reserves Allen Draughon and Bill Walker, all three capable runners and fair passers. At the halfback slots, speedster letterman Jerome Norton, two-year letterman Wallace Walkup, and two-year letterman Monk Raines. And at fullback, passer-punter Choc Burnett, letterman Charlie Brake, letterman Bootey Ivey, and junior reserve Bob Hughes. Add to this list such outstanding freshman and reserve prospects as Warren Stevenson, Charleston; Joe Weingartner, Decatur, Ga.; Dan Moore, Rome, Ga.; Walter Gooch, Rock Hill; Bo McMillian, Jacksonville, Fla.; Max Rollins, Grover, N. C.; Norman Eubanks, Clearwater, Fla.; Kenneth McCutcheon, Dillon; Blake Watts, Bishopville; and Ralph Tedards, Greenville; and you wonder what the coaches are worrying about.

The only difficulty is that the Hosemen of 1947, and the backfield particularly, are of an unknown quality.
